

# **Macomb County Public Works Office Tuesday, September 17th at 6:30pm**

**Do you know what the Macomb County Public  
Work Office does?**

**Join Anthony Lewis as he shares what they are  
working on for the residents of Macomb County.**

**The MCPWO administers nearly 900 county  
drains that prevent flooding in our communities.**

**Some of these drains are open streams or  
creeks, while others are massive underground  
structures that carry storm water away from  
neighborhoods and businesses.**
